Vivest Power Beat Semi Automatic Defibrillator Outdoor Cabinet Package

VIVEST

We have put together a convenient cost effective tailored bundle for your defib and outdoor locked cabinet storage needs,

Vivest Powerbeat X1 Semi-Automatic AED is a slimline and lightweight device making it ultra-portable to any location.
A clear instructional pictogram display and loud verbal commands guides the user making it one of the easiest to use on the market even with no previous training. With complete reliability, daily self-testing ensures device is ready to use and with a protection grade IP55.

The defibrillator polycarbonate outdoor cabinet is highly impact resistant and ensures your defibrillator is kept, safe, secure and always suitable for use.

- Fire retardant to UL94 VO (will not support fire)
- UV stabilised; will not be affected by sunlight
- Double skin clamshell design with full IP66 rating
- Marine grade stainless steel keypad lock
- Thermostatically controlled heater
- Motion sensor LED light
