A clear step towards a healthy lifestyle, the A&D UC-502 Precision Health Scale uses high-precision sensors to instantly deliver accurate results.

The A&D UC-502 Precision Health Scale benefits from simple to use SENSE ON technology providing your results immediately when stepping on the device, displaying them on the integral sharp LCD display. The SENSE ON technology also switched the device off between 4-6 seconds after use saving the battery life. This highly accurate, stylish, convenient, home use scale is accurate to:
0-50.0kg: $\pm 0.4\text{kg}$
50.1-100.0kg: $\pm 0.5\text{kg}$
