

BEESWIFT
FOCUSED ON SAFETY

Product Code

CM2080

Available in Sizes

H23.2XW20.9XD5.9

Available in Colours

Black
CM2080

Can withstand damage from a free fall height of 1.5 metres

Optimal operating temperature is 5°C-+50°C

Able to function effectively under the most extreme weather conditions

Device weighs only 1.5kg

Vivest Power Beat Semi Automatic Defibrillator AED X1

Product overview

The Power Beat X1 Semi-Automatic AED is a slimline and lightweight device making it ultra-portable to any location. A clear instructional pictogram display and loud verbal commands guides the user making it one of the easiest to use on the market even with no previous training. With complete reliability, daily self-testing ensures device is ready to use and with a protection grade IP55 and no need for a carry case.

Key features

- Semi-Automatic AED
- IP55 protects against dust and wet environments
- Daily self-testing ensures device is ready to use
- Battery life of 4 years and capable of up to 200 shocks
