

BEESWIFT
FOCUSED ON SAFETY

Product Code

CM2081

Available in Sizes

H23.2XW20.9XD5.9

Available in Colours

Can withstand damage from a free fall height of 1.5 metres

Optimal operating temperature is 5°C-+50°C

Able to function effectively under the most extreme weather conditions
Device weighs only 1.5kg

Vivest Power Beat Semi Automatic Defibrillator AED X3

Product overview

The Power Beat X3 Semi-Automatic AED is a slimline and lightweight device making it ultra-portable to any location. A 5 inch LCD colour -screen display will visually instruct the user on what to do and how to do it, with loud verbal commands guides the user making it one of the easiest to use on the market even with no previous training. Users can switch between primary and secondary language among various available language options. With complete reliability, daily self-testing ensures device is ready to use and with a protection grade IP55 and no need for a carry case.

Key features
